The **Academic Success Center** provides centralized support services to all undergraduate students at UMBC. All services are available online at academicsuccess.umbc.edu.

Academic Learning Support

- **Peer Tutoring** is available for most 100-200 level courses by appointment and drop-in.
- **Writing Center** help is available for any writing assignment.
- **Schedule an Appointment** for Tutoring or Writing Center help.
- **Supplemental Instruction - Peer Assisted Study Sessions (SI PASS)** are available for select courses via the course Blackboard site.

Online Learning Resources

The **online learning resource page** has videos and resources to support online learning, including:

- A **tip sheet** for success in online learning;
- **Videos** on getting started with online learning, time management, study skills, and motivation;
- An **interactive module** to help students to develop their online learning skills.

One-to-One Virtual Meetings

- **Academic Success Meetings** are available for one-to-one assistance with time management, study skills, and resource exploration.
- **Academic Advocacy Referrals** may be submitted to assist students in resolving academic and institutional challenges that may adversely affect persistence, progression and timely completion of degree. Referrals may be submitted by Faculty, Staff and Students to request one-to-one help to map out a plan for success at UMBC.

Academic Policy and Undergraduate Petition Support

- **Undergraduate Petitions** may be submitted by students to be considered for an exception to academic policy for a late-add, a course repeat, change in grading method, a graduation requirement, or a non-applicable semester.
- **Personalized help** is available to answer questions about UMBC academic policies and to provide guidance navigating the various Undergraduate Petition processes.
