Emiliano Gomez

## FORMAL POETRY AS THERAPY

Emiliano Gomez's first manuscript, *Recovering*, seeks human redemption in wonder and beauty. Gomez will facilitate this workshop; Formal Poetry as Therapy where he will explain how to write convincingly and uniquely.

Mariana Orellana

## STORYTELLING THROUGH PHOTOGRAPHS

Orellana teaches storytellers how to take and share photos with their camera/phone to effectively convey emotions and narrative. An easy hands-on approach is used to demonstrate the importance of beginner lighting techniques, composition, and camera settings.

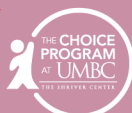

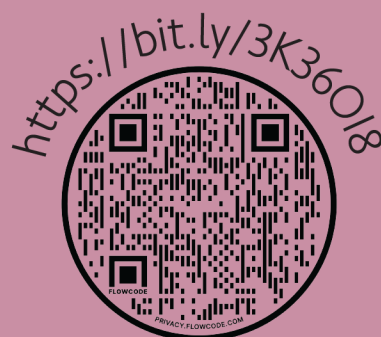

Thania Muñoz

## STORIES & MEMORIES DIGITAL STORYTELLING

Muñoz shares how to use storytelling to craft personal stories about our communities--stories of immigration, identity, and belonging, to think about our pasts and envision the possibilities of our futures. The focus is on "how to tell" a story (story circle), how to put images to a story (storyboard), and the digital production to share our stories with others. (online).
