

# Commuter Parking Guide

Where should I park when I arrive?

- 8 am – Just about everything is open, park as close as you would like.
- 10 am – All of the good spots are probably gone, try lots 22, 29, or stadium.
- Noon (Peak) – It is a bit of a hike, but try lot 25 down by the TRC.
- After 4 pm – Just about everything is open again.
