

Research and Data Fellow for Democratic Candidate in Baltimore

Interested in a career in politics? Friends of China Terrell is looking for a Research & Data Fellow to join our team. Applicants must have strong organizational skills and an interest in Baltimore/Maryland politics. Current students or recent graduates with an interest in a dynamic work environment are ideal candidates for this role.

This is a great opportunity to work closely with the campaign team as we formulate and execute a political strategy for the 2022 election and beyond. While this position does have a focus on Research, Data, and Database maintenance, we encourage Fellows to get involved in many areas of the campaign to get the most out of their experience.

Duties will include but are not limited to:

- Assisting with Database Maintenance for Voter Contact and Fundraising activities
- Researching and preparing briefing materials for the candidate
- Data Entry and Analysis
- Taking initiative by identifying additional projects you are interested in engaging on

Qualifications include:

- An interest in politics with a desire to learn about political fundraising and strategy.
- Excellent organizational skills.
- Keen attention to detail and ability to focus on tasks.

This internship can be creditworthy or satisfy volunteer hour obligations depending on institutional requirements.

Fellows should have access to their own laptop and familiarity with G-Suite and/or Microsoft Office Suite Applications.

We are currently accepting applications. Please send cover letter, resume, and two references to: china@chinaterrell.com
