

# Research Assistant Needed

with Dr. Sherman Canapp  
DVM, MS, CCRT, DACVS, DACVSMR

**VOSM is searching for a pre-vet student who is interested in assisting with a landmark research project.**

This research project is to be published in JAVMA on ***the global assessment of sports related injuries in performance dogs 2006-2018.***

You would be included as a co-author on the paper as well as receive a letter of recommendation from Dr. Canapp for veterinary school.

If interested, please email Alyse Carter at [acarter@vosm.com](mailto:acarter@vosm.com)
