

Conservation Experiences for College Students Fall 2024

Interested in a career in Conservation? This fall the Department of Conservation, Collection and Technical Studies at the Walters Art Museum will offer the following opportunities for college students. Interested? Email CollegeInitiatives@thewalters.org to learn more about the following:

Tour the Conservation Lab and speak with conservation professionals. Times to be coordinated after receipt of email expressing interest. Capacity is limited to 10 participants in each session.

Description: Interested in a career that combines science and art? Join us for a guided tour given by conservators and scientists in the Department of Conservation, Collection and Technical Studies of the Walters Art Museum. During this visit, you will learn about the work being done to preserve the Walters' collection and will visit three laboratory spaces in the Conservation Lab.

Una visita guiada en el departamento de Conservation, Collection and Technical Studies. Horarios de la visita a coordinar tras la recepción del correo electrónico expresando interés. Está limitado a 10 participantes en cada sesión.

Descripción: ¿Interesado en una carrera en las ciencias y las artes? Te invitamos a una visita guiada en el departamento de Conservation, Collection and Technical Studies del Walters Art Museum con una conservadora y una científica de la conservación. Durante la visita, verás el trabajo que se lleva a cabo para preservar la colección del Walters y visitarás los tres laboratorios de Conservación: Pintura, Libros y Manuscritos, Objetos, y el laboratorio de Análisis Científico. Esta visita es completamente en español.

Behind the Scenes Chat with conservation experts in Objects of Curiosity – Times to be coordinated after receipt of email expressing interest. Capacity is limited to 20 participants.

Description: If you have ever wanted to know more about art conservation and what a conservator does, join us for a gallery tour of our current installation "Objects of Curiosity" and hear more about careers in conservation and see our work in action in the gallery.

Have other questions? Want to learn about how you can engage with the Walters Art Museum in other ways? Curious about learning about volunteer opportunities or paid internships? Contact our College Initiatives Specialist at collegeinitiatives@thewalters.org.
