FULBRIGHT SCHOLARSHIP INFORMATION SESSION

WEDNESDAY, APRIL 12, 2017
12:00–12:50 P.M.
PUP 204

- Have you ever considered living abroad for a year? Fulbright Scholarships are available to recent BAs who want to conduct international research, teach English, or enroll in a foreign graduate program.
- This information session is open to all undergraduate and graduate students, and will be led by Dr. Brian Souders, Interim Director of International Education Services, who coaches UMBC students through the Fulbright application process.

A rice and curry lunch will be provided!

About the UMBC Student U.S. Fulbright Program:

"The Fulbright U.S. Student Program operates in more than 140 countries worldwide. It awards grants in nearly all fields and disciplines, including the humanities, social sciences, STEM fields, and creative and performing arts."

"UMBC strongly encourages applications for both research and English Teaching Assistant grants from its graduating seniors and graduate students."
