

Scholars Strategy Network Baltimore Launch Event

15 November 2019, 1–3pm
R. House – 301 W. 29th St.

The Scholars Strategy Network (SSN) invites you to join us for an afternoon mixer.

We will be discussing the creation of a Baltimore SSN Chapter and developing an agenda for the coming year. Refreshments will be served.

The Scholars Strategy Network (SSN) connects journalists, civic leaders, and policymakers with top researchers to improve policy and strengthen democracy. Through the network, journalists, policymakers, and civic leaders connect with responsive scholars and jargon-free research to support their work. Learn more about SSN at scholars.org.
