Dr. Gail Christopher

The National Day of Racial Healing is a time to contemplate our shared values and create the blueprint together for #HowWeHeal from the effects of racism. It is an opportunity to bring ALL people together in their common humanity and inspire collective action to create a more just and equitable world.

Dr. Gail Christopher is an award winning social change agent with expertise in the social determinants of health and well-being and in related public policies. She was the driving force behind the America Healing initiative and the Truth, Racial Healing and Transformation effort.
