

THE MODEL ROOM HOST

Present your room as a prime example of living on campus at UMBC!

Both you and your roommate must agree to serving as a model room host and one of you must be present at all showings.

Showings occur during Black and Gold Tours (Monday-Friday at 12pm and select Saturdays), large-scale Admissions events (approximately 5 per semester), and various special group visits.

Expected availability is 5 hours per week throughout the semester with compensation of \$300 per semester, paid in 2 or 3 installments. Maintain a clean, respectful, and appropriate room for all showings.
