

CIVIC LEARNING AND DEMOCRATIC ENGAGEMENT MEETING 2021

Join our session, "Improving Basic Needs Access on College Campuses," on June 4th at 1:30 pm!

OUR WORK:

Funded by the BreakingGround grant, our research explores the levels and nature of food and basic needs insecurity among UMBC students, faculty, and staff.

OUR TEAM:

We are the Research branch of Retriever Essentials, a group of UMBC community members tackling food insecurity on campus
