Position Type: Volunteer, undergraduate or graduate

Vacancies: 4

June 1, 2019 – June 1, 2020* (* tentative dates, summer and winter availability strongly preferred)

Ambassadors will join the Retriever Essentials Student Leadership Board, serve and lead Retriever Essentials programming and outreach efforts, and will be supervised by UMBC's Campus Compact Mid-Atlantic (CCMA) AmeriCorps VISTA and the CCMA AmeriCorps VISTA Supervisor or Service Learning & Community Engagement Staff out of the Shriver Center. The main roles of the Ambassadors on the Retriever Essentials Student Leadership Board are to assist the CCMA AmeriCorps VISTA in daily pantry operations as well as support the CCMA AmeriCorps VISTA in outreach and programming efforts suggested by the Retriever Essentials Advisory Board. In addition, they aide in bridging relationships between Retriever Essentials and the broader campus community.

The main role of this position is to create and sustain connections between Retriever Essentials and the broader student body and campus community. The Retriever Essentials Student Leadership Board contributes to the vision of Retriever Essentials by promoting Retriever Essentials events, engaging the UMBC community, and fulfilling essential pantry-operation tasks including collecting and inventorying donations, and packing and delivering food bags. Ambassadors can also assist with the design and facilitations of workshops addressing the stigma of food insecurity, community dinners, food drives, and other engaging outreach events. This means that it is essential for all Ambassadors to demonstrate strong leadership skills, to be team-oriented, and to be willing to contribute to the vision of the Retriever Essentials Advisory Board.
