

# Let's Make Everyone Count!

Baltimore City's 2020 Point-In-Time (PIT) Count

## VOLUNTEERS NEEDED

January 26, 5:00pm -11:00pm

January 27, 6:30pm-11:00pm

Unsheltered Count  
Across Baltimore City

The Point-In-Time (PIT) Count is an important service engagement and data collection strategy that helps advance Baltimore City's plan to prevent and end homelessness. It allows to identify and connect individuals, families, and youth experiencing homelessness to much needed housing and support services. Results from the PIT count are used to inform policy and provide required data that helps our city access needed Federal and State homeless services resources.

**TO SIGN UP, GO TO**
