

## IBM Consulting by Degrees Opportunities!

Take advantage of our world-class leadership and development opportunities.  
Accelerate your career.

In the **Consulting by Degrees (CbD) Program**, you join a cohort of talented and committed colleagues on a two-year journey designed to develop you into a top consultant at IBM. IBM is transforming, and CbDers play a critical role in that journey. With over 1,000 CbDers on hundreds of different client projects, the CbD Program is an opportunity to experience a variety of roles, grow as a consultant, and transform into an IBM leader.

The **Public Service Sector** is leading the Digital Reinvention™ of Government across the United States. Public Service consultants partner with clients in Education, Non-Profit, and Federal, State and Local Government to help them tackle their biggest challenges.
