The SafeZone LGBTQIA2+ Allyship Development Workshop is designed to create a more welcoming, affirmative atmosphere for LGBTQIA2+ community members of the UMBC community and beyond. The program includes various activities for participants at all levels of knowledge and comfort with LGBTQIA2+ culture and concerns, from basic terminology, core concepts, and LGBTQIA2+ intersections, to skills-based sessions on pronoun usage and allyship development. It includes various distinctions and intersections between sex, gender, sexual orientation, romantic orientation, gender identity, gender expression, and other social identities relevant to the LGBTQIA2+ experience.
