UMBC

COLLEGE OF NATURAL AND MATHEMATICAL SCIENCES

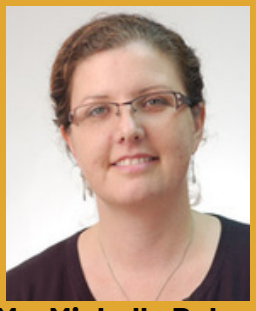

The Formula for Success: Launching Your Graduate School Journey

Join us for a session on how to prepare for applying to graduate school. We will discuss Master's vs. PhD programs, common graduate school admissions criteria and timelines, preparing application materials, and how to select the right programs for you.

GUEST PRESENTERS

Dr. Maria Cambraia
Director, Research and International Affairs
CNMS

Ms. Michelle Bulger
Director, Science and Math Advising Resource Team
CNMS
