

WELCOME TO UMBC!

We invite all faculty and staff to join President Hrabowski and Provost Rous in our annual tradition of welcoming new colleagues to the UMBC community.

This fun, interactive event is a great opportunity to connect and get to know some of the remarkable people here at UMBC. You will learn about UMBC's vision and values, and opportunities for you to make a difference in our community.

There will be a presentation about the joint public venture between UMBC and the Maryland State Arts Council. Sculptor Thomas Sayre has won the national competition, and has been commissioned to create a site-specific artwork for the new Performing Arts and Humanities Building.
