

# **Responding to Sexual Assault and Relationship Violence at UMBC Faculty & Staff Training**

**Date: Monday October 20, 2014**

**Time: 1:00 – 2:30 pm**

**Location: Commons 329**

UMBC Faculty and Staff are invited to a training session to learn about the Voices Against Violence (VAV) Program, as well as the guidelines for reporting incidents of relationship violence, sexual assault, stalking, etc.

At the end of this session, participants will be able to clearly identify the University's protocol for responding to and reporting incidents of relationship violence, sexual assault, stalking, etc. on UMBC's campus; understand the steps a faculty or staff member must take when reporting such an incident; comprehend the importance of reporting this information, both for the victim/survivor, as well as the University; clearly recognize the roles of the Voices Against Violence Program Coordinator and Title IX Coordinator, as well as members of the Sexual Assault and Relationship Violence Response Team (SARVRT); and be familiar with on and off campus resources for victims and survivors of violence.

Presenters: Jennifer K. Lepus & Alison Rohrbach, University Health Services

To register for this training visit the Training and Organization Development Groups page on myUMBC at: <http://my.umbc.edu/groups/training/events/27055>.

Questions? Contact Alison Rohrbach at phone ext. 5-1599 or email: [arohrbach@umbc.edu](mailto:arohrbach@umbc.edu).
