

BRIDGING THE GAP

USING THE POLARITY APPROACH TO APPRECIATE DIVERSE POINTS OF VIEW

2017 FACULTY/STAFF PROFESSIONAL DEVELOPMENT DAY

Have you ever been on the polar opposite side of an issue with no perceivable middle ground in sight? Thriving in an increasingly interdependent and complex world requires we meet personal and professional challenges with creativity. Come learn the Polarity Map and approach which makes this process easier by providing a way to supplement "OR" thinking with "AND" thinking, bridging the gap in solving complex problems.
