

ST. AUGUSTINE LECTURE SERIES

AT THE INTERSECTION OF FAITH AND WORK

Dr. Mary Ann Sorra, M.D., OB/GYN will be with us to share her story as a Catholic doctor in Obstetrics and Gynecology.

Dr. Sorra made the radical decision 9 years ago to stop prescribing birth control in her medical practice, and believes that transition has made her a better doctor and better able to serve her patients, beyond their bodily medical needs.

Join us on Sunday November 4th for 5:15p Mass, 6:15p dinner, and Dr. Sorra's talk in PUP 105.

Sunday, November 4th

6:30pm
