The Power of Imagination in Aging: Do Not Go Gently

MON, APRIL 2, 2018

12pm - 1pm

Albin O. Kuhn Library, 7th floor

Presented by: *The Erickson School & UMBC Social Work*

Narrated by Walter Cronkite, this award-winning documentary shows the life-enhancing impact that continued creative imagination and artistic expression can have—well into the years. Through a celebratory exploration of the lives, wisdom, and creativity of elder artists, the film includes inspiring profiles of 82-year old quilter, Arlonzia Pettway, 90-year-old ballet dancer, Frederic Franklin, and 109-year-old composer, Leo Ornstein. The film also emphasizes the importance of creative outlets for persons with Alzheimer's, and includes interviews with gerontologist, Dr. Gene Cohen, whose groundbreaking work offers a deeper understanding of the limitless potential of the aging brain.

****This event is FREE and open to students from ALL majors. Food and drinks will be provided***
