

# UMBC AIAA Welcome!

GBM #1 February 8th

# UMBC AIAA

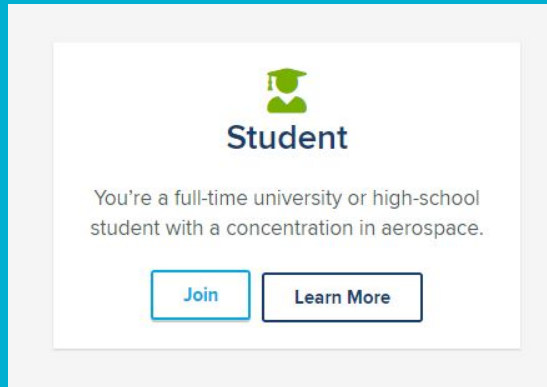

---

- UMBC Branch of the American Institute of Aeronautics and Astronautics
- Participate in collegiate aerospace design challenges, host guest speakers, network with industry members, visit aerospace engineering facilities, and much more
- All majors/years

# AIAA Student Membership

---

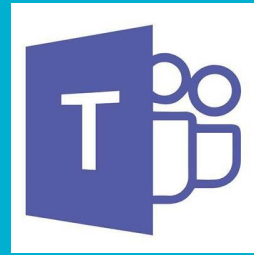

([www.aiaa.org](http://www.aiaa.org))

- Become an AIAA Student Member (\$15)
  - Participate in Design/Build/Fly competition
  - Scholarships
  - Career center/Community
- **No cost** to join UMBC AIAA

# Connect With Us!

---

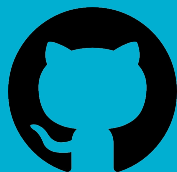

# President Caroline Vantiem

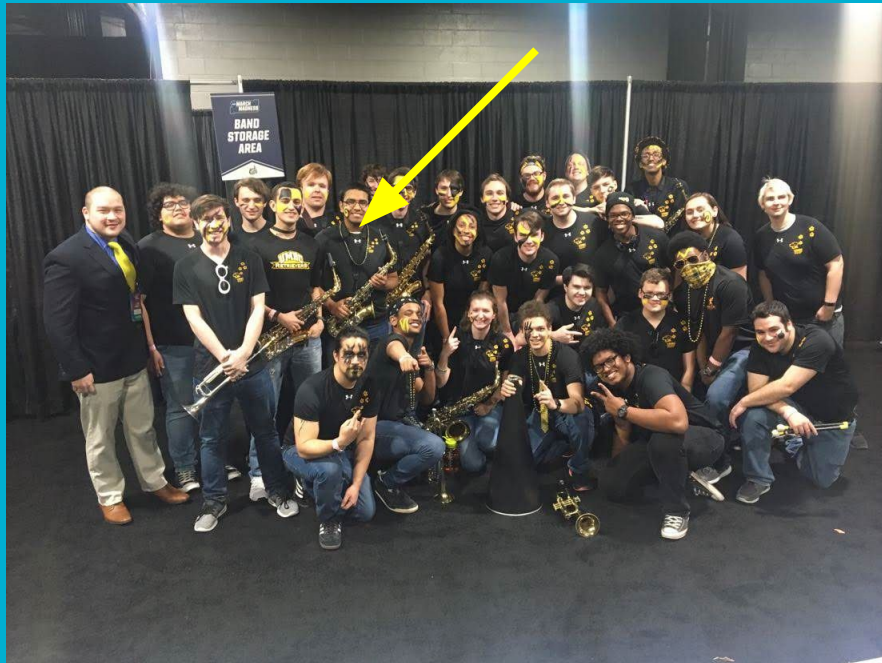

Senior, Computer Science

# Vice President Juan Fernandez

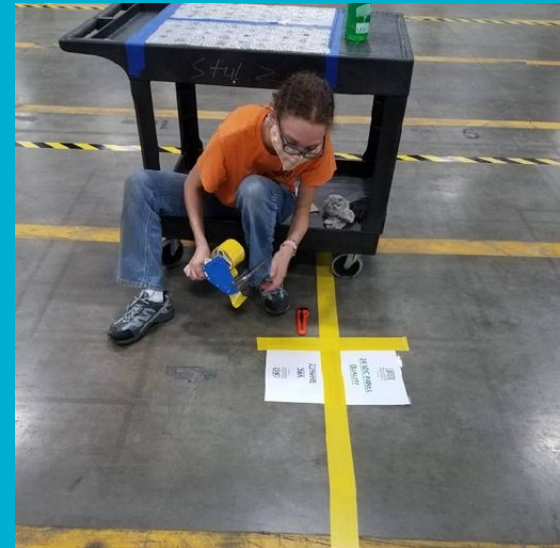

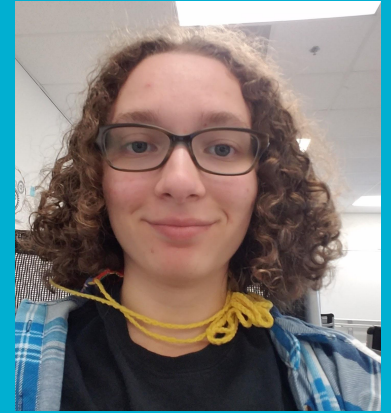

- Senior, Mechanical Engineering

# Secretary Lucy Cincotta

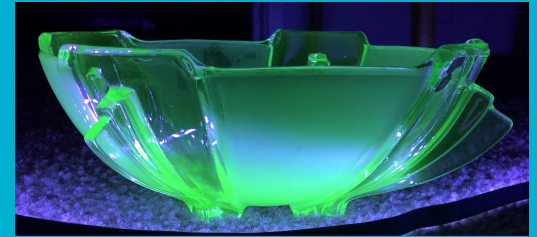

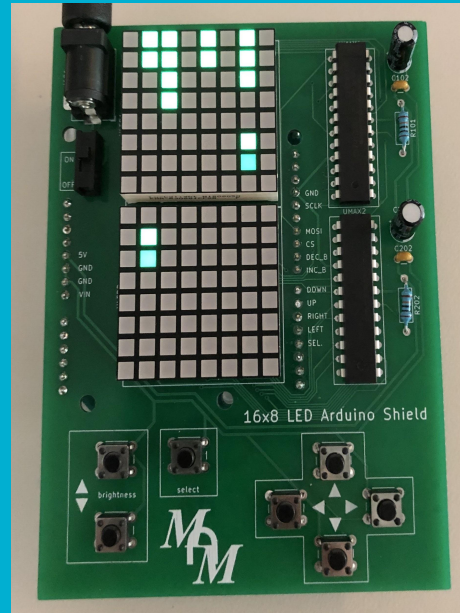

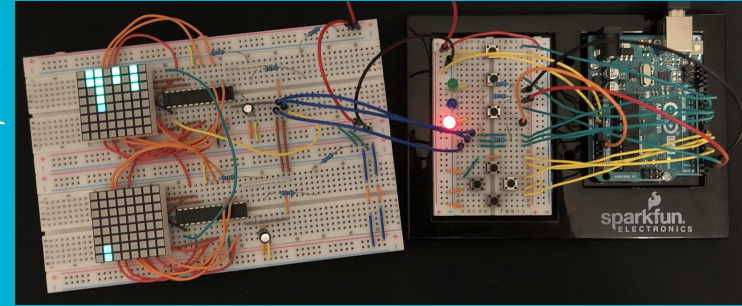

---

- Junior MechE
- Summer internship at First Source Electronics
- Member of the Down and Dirty Dawg Drumline

# Treasurer Patrick Majurski

Junior, Computer Science

# Professional Development Chair Curtis Adams

---

Senior Mech-E

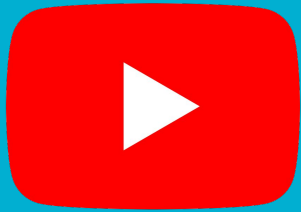

# Public Relations Chair Ben Azrieli

- Senior, MechE

# DBF Project Lead Timothy Packard

## Reflets dans l'eau

No. 1 from "Images - 1st series"

Claude DEBUSSY  
(1862-1918)

Andantino molto  
(Tempo rubato)

# Rocketry Project Lead Thomas Ajala

---

- Freshman Mechanical Engineering Major

# Design, Build, Fly \_ Fridays 4pm-6pm

# Rocketry

---

SPACEPORT AMERICA®  
CUP

- Biweekly Wednesdays or Friday 12-1 pm during free hour
- If you're interested please fill out this form:  
<https://forms.gle/TkPoTCRhcwfMEic88>
- Plans this semester
  - Workshops/Trainings for new members
  - Outreach and volunteer opportunities
  - Planning and Design for Spaceport America Cup 2022

# Upcoming AIAA Community Events

---

- Drone Presentation

- Drone introductions/basics
- How to build a drone

- Game night

- Fridays, time TBD
- Stay tuned for a Google form to vote on the game!

# Virtual Launch Party

---

**NORTHROP  
GRUMMAN**

- February 18, 2021 3:55pm
  - NASA Perseverance Rover Landing on Mars
- February 20, 2021 12:36pm
  - Northrop Grumman Resupply Mission to Space Station
- April 20, 2021
  - Nasa, SpaceX Crew-2 Mission to the ISS

# GBM Schedule

---

Monday 12:00pm - 1:00pm  
(Microsoft Teams)

-  GBM #2- Resume workshop (Feb. 22nd)
-  GBM #3 - Drone Workshop March 8th
-  GBM #4 - TBA March 22nd
-  GBM #5 - Election pitches/Elections!! April 5th
-  GBM #6 - Election result/End of the semester party April 19th

# Breakout Groups

---

# KAHOOT!!!!

---

Join at **[www.kahoot.it](http://www.kahoot.it)** or scan **here:**

# AIAA Upcoming Events

---

## Microsoft Teams

- GBM #2 - Resume Workshop (Feb 22nd)
  - Monday 12:00pm - 1:00pm
- Virtual launch party - NASA Perseverance Rover Landing on Mars
  - February 18, 2021 3:55pm
- Design, Build, Fly
  - Every Friday 4:00pm-6:00pm
