**COLLABORATING WITH GLOBAL
THOUGHT LEADERS
GIVES MY WORK PURPOSE**

As a global medical device leader, our mission at Boston Scientific is to transform lives through innovative medical solutions.

We are currently looking for Summer 2018 interns and co-ops across a wide array of engineering disciplines.

If you're ready to discover your work's purpose, join us at our upcoming recruitment event. It's a great opportunity to meet our team and see how you could have a meaningful impact on patients worldwide.

Virtual Showcase – Monday, September 25th 4-5pm ET
