AM I ELIGIBLE?

Eligible students must be full-time juniors or seniors with high financial need. Students must be residents of, or attend college in, Baltimore or Baltimore County. See artsintern.org.

(We encourage everyone to follow CDC guidelines. Applicants must meet the Covid requirements of their institution.)

Aside from having the responsibilities of an intern, I also had a chance to learn from professional people in the art industry. That really stood out for me The internship didn't really feel like just a job or a responsibility, it felt like you were actually learning while you were doing it.
