Albin O. Kuhn
Library Gallery

Jenny Perlin is an artist working in Brooklyn. **Her practice in 16mm film, video and drawing** with and against the documentary tradition, incorporating innovative stylistic techniques to emphasize issues of truth, misunderstanding, and personal history.

In her films, Perlin often utilizes hand-drawn animations that embrace the technical quirks of analog technologies. Her projects look closely at ways in which social machinations are reflected in the smallest fragments of daily life.
