ABOUT NEWWAVE FOUNDATION

The NewWave Foundation is a 501(c)3 organization founded on the belief that everyone deserves a decent quality of life. We believe that through our work, individuals both locally and around the globe will be able to pursue their dreams and discover their full potential. This year, funds from our Gala will support communities that have been disrupted by natural disasters, provide even more scholarships with a focus on first generation students, and equip youth with technology to encourage their creativity.

OUR ANNUAL GALA

With these goals in mind, the Roaring 20's, a time of new creative directions and exploration, is a perfect illustration of our progressive outlook and commitment to creating a happier and healthier world. **Join us for a 20's inspired evening in the Golden Age of Hollywood on Saturday, October 6, 2018!**
