The In Art Gallery Presents: A Works On Paper Exhibition – July Show

The In Art Gallery is an online gallery and resource for emerging artists in all ranges of careers to have a platform for exhibiting artwork and reaching a global audience. Our gallery provides opportunity for artists to submit work in various mediums in an international juried competition. In a world in which travel restrictions and access to art are becoming limited we are looking to create a space for artists to build their career and develop professional experience. The In Art Gallery will hold monthly juried exhibitions for artists to apply to and build their resume, and provide an affordable juried venue for artists to exhibit. We are looking to provide artists with an avenue to have their work seen by professional artists, professors, curators, and critics across the globe. The submission fee will cover the cost of jurying, awards and website management.

This month our theme is WORKS ON PAPER. Please submit your highest quality work in which medium includes paper! Sketches, Drawing, Textiles and Sculptures that include the medium of paper are welcome to submit This work will be a highly competitive juried exhibition of the selected entrant's best work.

Please email your images to: theinartgallery@gmail.com
