

ATTENTION MARYLAND STATE RETIREES

Attention Maryland State Retirees who are disabled or 65 and older. United We Matter is sponsoring the **Eastern Shore RX Drug Coverage Meeting** on November 18th in Stevensville, Kent Island.

- Did you know the Maryland General Assembly eliminated your Prescription Drug Coverage?
- Did you know that the injunction in **Fitch v. Maryland** is the only reason you still have access to this benefit?
- Did you know that without your RX drug Coverage the costs of your medication will skyrocket?

Its time to Join the Fight! Come to the meeting on November 18th to support our petition drive and right this wrong. Seating is limited and registration is required. For more information go to www.unitedwematter.com.
