

# Clothesline Project T-Shirt Making

## Who can make T-Shirts?

Students, Faculty, and Staff can make T-shirts describing their personal experiences with relationship violence and sexual assault.

## What is the Clothesline Project?

The **Clothesline Project** gives voice to the experiences of survivors, victims, family, and friends who have been affected by violence. All are encouraged to attend and participate. These T-shirts will be hung **shoulder-to-shoulder** on a *clothesline* for public viewing, **As if the survivors are there themselves**, telling us their stories.
