

THE MONUMENT QUILT UMBC DISPLAY

The Monument Quilt is a crowd-sourced collection of stories from survivors of rape and abuse. Each individual square is made of red fabric with hand-written testimonials created by survivors and allies. By stitching our stories together, We are creating and demanding public space to heal. The Monument Quilt is a platform to work together to change how communities respond to rape. The quilt is creating a new culture where survivors are publicly supported, rather than publicly shamed.
