Article I. Name of Organization

The name of this organization shall be the Chemistry Graduate Student Association (CGSA) of the University of Maryland, Baltimore County (UMBC), hereinafter referred to as “the CGSA”.

Article II. Mission

- To support, promote and represent all chemistry graduate students at UMBC;
- To provide a forum for discussions of and recommendations on matters involving chemistry graduate students and their welfare at UMBC; and
- To provide opportunities for intellectual, professional, and social development through grants, public presentation of research, graduate community events and campus service support.

Article III. Governing Documents

The CGSA operates ...

- In accordance with the UMBC Plan of Organization, AND;
- Within the structure outlined in this document, provided it is not in conflict with the above document, AND;
- In accordance with the rules set out by the CGSA Bylaws, provided they are not in conflict with any of the above documents, AND;
- In accordance with the year-to-year policies set out by the CGSA Annual Points of Policy, provided they are not in conflict with any of the above documents.

Article IV. Structure

The General Membership is composed of all chemistry graduate students.

The Graduate Senate is the body of elected representatives from the General Membership.

The Executive Council is the executive body of the CGSA and is elected from the General Membership by the Graduate Membership.
