STRiVE is a five-day retreat for undergraduate students held off-campus during Winter Break. STRiVE’s intensive and engaging curriculum supports participants in becoming more effective leaders and contributors to their communities. Participants make new friends, learn about themselves, reflect on values and ethics, develop critical thinking and cultural organizing skills, and tackle both simulated and real community challenges.

Applications are due on November 10, 2019. To apply, visit tinyurl.com/STRiVE2020UMBC.
