

UMBC AICHE

UMBC American Institute of
Chemical Engineers

BUILD LONG LASTING RELATIONSHIPS

At UMBC AICHE, we value building a strong, supportive, and inclusive community. There are always opportunities to interact with chemical engineering majors of all different years and tracks!

CHEME-E-CAR AND CHEME JEOPARDY

Interested in incorporating chemical engineering and chemistry concepts you learn in lecture to real life? Ask about our Chem-E-Car and ChemE Jeopardy Teams!

PROFESSIONAL DEVELOPMENT AND NETWORKING

UMBC AICHE provides academic workshops and opportunities for members to meet chemical engineering faculty, industry representatives, alumni, and more!

MENTORSHIP AND SERVICE

Join our mentorship program to be connected with experienced chemical engineering majors for guidance and class advice. You can also volunteer and support STEM focused service projects for the local Baltimore community!
