BILLIONS OF SOCIAL POSTS. COUNTLESS LINES OF CODE. SECURITY VULNERABILITIES.

Imagine yourself addressing these digital intelligence challenges with the world's most advanced technology. Not only that, but your work is contributing to America's security. In the CIA, you will be part of a diverse team of the best and brightest cyber experts – designing and building the offensive and defensive tools to enable missions that keep our country safe.

How will you help shape the CIA's digital future?

Applicants must have US citizenship and the ability to successfully complete medical examinations and security procedures, including a polygraph interview. An equal opportunity employer and a drug-free workplace.
The Johns Hopkins Applied Physics Laboratory (APL) is seeking people who want to confront and solve our nation’s toughest challenges.

Explore APL’s exciting career opportunities in:
- Computer science
- Electrical engineering
- Software development
- Communications/network engineering
- Cybersecurity
- Systems engineering

Apply at www.jhuapl.edu/careers

APL is an Equal Opportunity Employer
At Northrop Grumman, you’ll have the opportunity to connect with coworkers in an environment that’s uniquely caring, diverse, respectful, and above all collaborative.

Wherever you work in the company and whatever your role, you’re united by our mission to protect the world we live in.

Let’s do the work that matters – together.

careers.northropgrumman.com

©2019 Northrop Grumman is committed to hiring and retaining a diverse workforce. We are proud to be an Equal Opportunity/Affirmative Action Employer, making decisions without regard to race, color, religion, creed, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class. U.S. Citizenship is required for most positions. For our complete EEO/AA and Pay Transparency statement, please visit www.northropgrumman.com/EEO.
It’s not only WHAT you do,
It’s WHY you do it.

What’s your expertise?
Is it a STEM field or business? Foreign language or intelligence analysis? Security or counterintelligence?

Whatever your field, NSA has a position that combines your expertise with our mission:
The safety and security of our families, our communities and our country.

Apply today
IntelligenceCareers.gov/NSA

U.S. citizenship is required.
NSA is an Equal Opportunity Employer.
Investing in your success.

A MEANINGFUL CAREER STARTS HERE.

Helping our clients secure their financial future is at the heart of our mission. Whether you’re a student looking to gain experience while in school or a recent graduate ready to begin your career, we offer career opportunities that let you contribute to the success of others.

Explore your options, build your skills, collaborate with talented teams, and make a difference—personally and professionally.

Morgan Stanley is an equal opportunity employer committed to diversifying its workforce (M/F/Disability/Vet).
Based in Annapolis, the Chesapeake Bay Foundation (CBF) is committed to Saving the Bay. For fifty years, CBF has been working toward a restored Bay through advocacy; restoration; litigation; public communications; and environmental education. Share in our vision for a restored Bay with healthy rivers and clean water; sustainable fisheries populations; thriving water-based and agricultural economies; and a legacy of success for our children and grandchildren.
WHY US?

We’re building a group of bright, driven, and diverse talent to address our customers’ and country’s needs. If you’re a self-starting problem solver who is hungry to innovate and collaborate as a member of our growing team, apply to one of the openings on our jobs page.

OUR CULTURE

Empowering our team to work toward personal goals makes us stronger as a whole. With an emphasis on personal growth, our entrepreneurial-minded team values collaboration and trust, while working together toward our common goal of Arming the Analyst.
