Discussion Items:

1. Committee Assignment Update-Melody

a. Lost members-need to reassign their committees

Some people will be leaving us soon or have already left, so we need to make sure
we staff up on the different committees. The library Policy committee needs a
representative. Parking committee also. Down the line, the Pre-school committee
will be needed.

Desiree will move from the Athletic Committee to the Library committee. Diana
Smith will take her spot on the Athletic Committee.

We need two more senators instead of Shelly Graham Annie Byrd.

At one point NESS had 90 constituencies. Today it's about 70.

2. Return to Work Committee Update-Helena

Mask and boosters are mandated. You can get free K95 masks, sanitizer and spray
from Facility Management.

New Business: Melody mentioned the April 28 System Level Professional
Conference. It is Virtual.

Next Meeting: March 8, 2022
