PURPOSE

Join the team that helps ensure health care security for millions of Americans. The Centers for Medicare and Medicaid Services (CMS) works in partnership with the entire health care community to improve quality and efficiency in an evolving health care system and provides leadership in the broader health care marketplace. Our effectiveness depends on the capabilities of a dedicated, professional staff committed to supporting these objectives. A career with CMS offers the opportunity to get involved in important national health care issues and be part of a dynamic, fast-paced, and highly visible organization.

CMS is proud to announce a 12-week Diversity Summer Intern Program for current students. The purpose of the Diversity Summer Intern Program is to enhance students' knowledge about CMS' programs, mission, vision and goals. Additionally, the program seeks to familiarize participants about Federal, State, and local health care programs serving underserved and uninsured populations.

This 12-week program is offered to college/university students of Asian descent, Native Hawaiian/Pacific Islander descent, and to students attending Hispanic Serving Institutions or of Hispanic descent, Historically Black Colleges and Universities (HBCUs), and Tribal Colleges and Universities (TCUs). The program, developed by CMS, is consistent with the goals and objectives for the Hispanic Agenda for Action, and the AAPI, HBCU, and TCU Initiatives.

DATES OF EMPLOYMENT

Students may begin the program as early as May 7, 2012. The date the student begins the program will determine when the 12-week appointment ends. All appointments must be completed by September 21, 2012.
