

# UNIVERSITY SYSTEM *of* MARYLAND

## Keep Your Financial Goals on Track with TIAA's Fall 2022 and Spring 2023 Webinars!

The [USM has partnered with TIAA](#) to offer financial planning webinars at no cost to USM employees. These webinars are led by licensed professionals and are designed to help employees find more financial confidence in the face of today's economic challenges by learning more about saving, retirement planning, estate planning, and more.

Webinar topics have been crafted to address the concerns and needs of employees new to investing, mid-career employees, and employees close to retirement.

Sample topics include:

- The Starting Line: Beginning to save for retirement
- Halfway There: A Retirement Checkup
- Paying Yourself: Income Options in Retirement
- And many more!

Reserve your spot today! **Click [here](#)** to choose from various webinars topics and register or view past recordings. Additional resources are available [here](#).
